Phonics at North Crescent Primary School

At North Crescent Primary School we use the Department of Education Validated scheme “Monster Phonics” to support our phonics teaching.

“Monster Phonics creates a love of learning. It makes phonics easier to learn which accelerates progress and gives children more confidence. Phonics is brought to life across the school with highly engaging lessons.”

As a school we recognise the importance of reading and reading at home, and therefore we want to provide you with as much information as we can so that you can best support your child.

Please find below a link inviting you to a parent workshop hosted by Monster Phonics.

Date: Wednesday 4th October
