**Introductory note:** All applications must be made in accordance with the co-ordinated admissions scheme operated by the child's home LA. For children resident in Essex this is detailed in the Primary Education in Essex booklet.

[Go to the Essex County Council Admissions page](#)

### **1. Entry into our Reception classes:**

Essex County Council operates all admissions into Reception (or Year 3 for Junior Schools), and parents living in Essex must apply to Essex County Council for their preferred school. Details will be sent to all parents of eligible Essex resident children registered with an Essex GP when the data is received from the Health Authority.

All children will be admitted full time in the September following their fourth birthday.

Parents can request that the date their child is admitted to the school is deferred until later in the school year or until the child reaches compulsory school age in that school year. Where entry is deferred, the school will hold the place for that child and not offer it to another child. The parent would not, however, be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted. Where parents choose to defer entry, the child will start at the beginning of a new school term/ half term.

Parents can request that their child attends part-time until the child reaches compulsory school age; this will be considered on a case by case basis and at the discretion of the headteacher.

- In the event of oversubscription into Reception a waiting list will be maintained for the first term.
- Applications received after the closing date will go on the waiting list and be dealt with in accordance with the Local Authority's Scheme for Co-ordinated Admissions.
- Parents whose children do not gain admission will be advised of the statutory right of appeal.

### **2. Summer born children, delayed entry**

If your child is summer-born i.e. born between 1 April and 31 August and you want him/her to start in Reception when he/she has already turned 5 (instead of starting at the age of 4), this is what you will need to do:

- *Contact the headteacher of all the four schools that you are applying to. You will need to request confirmation in writing (letter or email) from the headteacher confirming that they are happy to accommodate the request.*
- *Send an email to [admissions@essex.gov.uk](mailto:admissions@essex.gov.uk) stating that you want a Reception place for the following intake year and explaining why you want your child to start school from then, rather than starting in the standard year (the academic year in which your child turns 5).*

- Name the 4 schools that you are interested in.
- Attach the emails/letters from the Headteachers of all of the schools you are applying for, confirming they can accommodate your request.
- Attach with the email any supporting evidence. Examples of evidence could include a letter from the current nursery, a health professional etc. and will indicate that this decision is in the best interests of the child.

The number of children to be admitted to Reception into Schools For Every Child schools can be found in [Appendix 1](#).

### **3. In-year applications**

To apply for a place in one of our Trust schools, you will need to use the application form that is found in [Appendix 3](#).

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to determine which children to admit:

Rayleigh Schools

1. Looked After Children and previously looked after children;
2. Children with a sibling\* attending the school at the time of application and admission;
3. Children living in the priority admissions area.
4. Remaining applications.

*\*LA sibling definition applies.*

Wickford School

1. Looked After Children and previously looked after children;
2. Children with a sibling\* attending the school at the time of application and admission;
3. Children living in the geographical area of Wickford
4. Children living outside the geographical area of Wickford
5. Remaining applications.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given the highest priority.

Distance will also be used if required to distinguish between applicants in each category.

A waiting list will be established where numbers exceed places available and priority of admittance will be in accordance with the above criteria.

Please note that: The school will be required to admit children who have a statement of Special Educational Needs that names the school.

#### 4. [Appeals](#)

Where a place is refused due to a year group being full, a letter will be sent to the parent providing information about the right to appeal. Appeals should be made in writing using the relevant form within 20 school days of the refusal letter. Information about appealing is available on the website [www.essex.gov.uk/admissions](http://www.essex.gov.uk/admissions) from the ['Submit an Appeal'](#) link.

If you would like full details on how ECC uses personal data, please go to [www.essex.gov.uk/privacy](http://www.essex.gov.uk/privacy) or call 03457 430430

1. This form should be completed and then be sent directly [admissions@seamat.org](mailto:admissions@seamat.org).
2. You should be aware that there is no guarantee of a place at any school so you can and should apply for more than one school, unless you have established that your preferred school definitely has a place for your child. To find out if there are places, you will need to contact the school(s) directly or email [admissions@seamat.org](mailto:admissions@seamat.org) to find out about schools within our Trust.
3. You will need to complete separate application forms for each school that you wish to apply to (unless you are considering a place at both Wyburns and Rayleigh). Depending on the status of each school (part of a Trust or an Essex LA school) you will need to apply to each according to their own process.
4. Once you have sent your application to the school, the school must write to you within 15 school days to confirm if a place is being offered or not. If you do not hear within this timescale, please contact the school directly to ask about your application.
5. If the school writes to you to offer a place, you should get in touch with the school to confirm if you are accepting the place and arrange a start date.

6. If you are refused a place, the letter you receive should explain that you have the right of appeal to an independent appeal panel against the decision. Appeals should be made in writing using the relevant form within 20 school days of the refusal letter. Information about appealing is available on the website [www.essex.gov.uk/admissions](http://www.essex.gov.uk/admissions) from the 'Submit an Appeal' link.
7. Applying from overseas – For non-UK citizens, the child must be in the UK before the application can be processed and proof of residency such as an endorsed (stamped) passport or entry visa will be required with the application.
8. If, having applied for a place, you do not manage to secure a school for your child (and you are living in the Essex County Council area\* or have a confirmed move into the County), please contact School Admissions at Essex County Council on Tel: 0345 603 2200 for further support and advice. The email address for School Admissions is [admissions@essex.gov.uk](mailto:admissions@essex.gov.uk).
9. Please remember – applications must be sent directly SEAMAT ([admissions@seamat.org](mailto:admissions@seamat.org)) and not to Essex County Council.
