

North Crescent Primary School

Guiding Explorers of the Future

3rd February 2025

Dear Families,

Re: Grounds development work

Many of you will have seen the work that has been ongoing at the back of the school. This is all part of the funding that the school won through an Inclusion Bid to the Local Authority at the end of the last academic year.

The money provided was given for very specific resources and grounds development work to help us to best support our children who require a bespoke provision.

After much waiting, our resources have now arrived and they are being set up in the specified area outside of the Adventurers 2 classroom. Currently, there is red tape across the area but this will be replaced shortly with blue and white posts, chains and no entry signs. I kindly request that when collecting your children from school that they do not enter this area. Its purpose is not that of a general playground.

I will be speaking with the children in assembly today, to explain why the resources are there and their purpose.

Thank you in advance for your support and understanding.

Sharon Walker
Headteacher
