

North Crescent Primary School

Guiding Explorers of the Future

14th September 2023

Dear Parents/Carers,

Welcome back to school from all the staff at North Crescent. It has been wonderful to see the children coming through the doors brightly each morning as the new school year begins. Our pupils have started the school year settled, ready to learn and full of excitement for the new school year.

At North Crescent we really value the relationship we have between home and school. It makes an enormous difference to your children and their learning. Therefore, we would like to invite you to our 'Making the Most of Year....' meeting; this will be an opportunity to meet your child's class teacher, to share what the learning and expectations are for your child's year group and to answer any questions you may have.
