## VOLUNTEERS

We were very lucky to be selected by JP Morgan, amongst other charities including NSPCC, Battersea dogs home & Cancer Research UK, as part of their staff volunteering programme. JP Morgan provided a team of volunteers for three days who worked hard at clearing the wooded and pond area at North Crescent. We hope to continue this great partnership next year for all our schools to enhance the outdoor learning areas for the children.

## PRO SOCIAL AWARDS

Year 5 and 6 at Rayleigh voted to raise money for Cancer Research, they held a very successful Bake Sale raising a staggering £395.91. Well done to all of you for all of your pioneering, altruistic and ethical behaviours and thank you for those that attended.

KS1 at both North Crescent & Wyburns filled their token box too and decided to donate much needed supplies to a local charity called One Love Project. They helped with making food parcels and collections of food supplies.

## CEO REFLECTIONS

This month we have learnt about King Charles, Simone de Beauvoir, Dolly Parton & Marie Curie!

A member of our Central Team reads a book from a series of books called "Little People, Big Dreams" to teach the children about the great things that people do that demonstrates the rights of a child. It's also a great way for adults to learn more than just their story of being famous so we encourage you to take a look. Recordings of our readings can be found under the Our Community section of our website.

## CEO FOR THE DAY

Our Yr. 6 pupils from across all schools spent the day in their new roles as CEO, TBFM and Central Teacher.

The children applied for their roles that we advertised and they were selected after a very gruelling interview. We appointed two deputy's to each role in addition to the main role as we were so impressed by all their great applications.

Oliver, Christiana, Maisie*

All the children visited all three schools, checking on the children, speaking to parents and carrying out important H&S checks! They presented their findings to all three Headteachers as well as the CEO and TBFM at the end of the day to tell them all what they had learnt with great confidence. Well done and Thank you to all the children for their pioneering spirit.

## PUPIL SENATE

*Pictured: Pupil Senate Chairs:  
Malcolm, Megan, Jonah*

Our Pupil Senate had their first meeting via Zoom and thoroughly enjoyed getting to know each other.

All of the children explained their reasons for joining the senate and displayed their passion about what they would like to do next year.

We have six dates in the diary to meet again to discuss British Values, our Trust Values, the principles of democracy and how we use these to ensure the pupil's voices from across the Trust are heard and impact on our Trust wide decisions.

We also announced the three Chairs of our Pupil Senate who proudly accepted their badges and are excited to move our committee forward.

## Design a poster activity

We would love some posters to accompany the children's token boxes to tell everyone what they can do to receive a token for their class. The children can design their poster either on paper or create it digitally. Size of poster to be A5. All entries should be submitted by 3rd September.

*Postal entries to: Schools for Every Child, C/O Rayleigh Primary, Love Lane, Rayleigh, Essex, SS6 7DD
