

PTA NEWS

Who are we?

We are a small group of parents who voluntarily arrange fun activities /experiences for your children to ensure they get the most out of their time at North Crescent Primary School. By doing so, we also help to raise much-needed funds for the school to spend on such things as play equipment and other resources.

What do we do?

We do lots of fun things! Previous fund-raising events include: a Halloween disco, the Christmas Fayre, Movie Night, Treat Fridays and Little Recyclers. Please see below for some of our upcoming events.

We would really love it if you would join our WhatsApp group (just message 07951128213 and ask to be added!).

We greatly appreciate your ideas and offers of help in putting on these events. We literally cannot do it without you!
