

## **Trust Vision and Values Day – Monday 9th March 2026**

Dear Parents and Guardians,

I hope this letter finds you all in good health. I am writing to inform you of an exciting event that is fast approaching: our Vision and Values Day, scheduled for Monday 9th March 2026. This special day will serve as an opportunity to celebrate the core values of our Trust and to reinforce our collective vision of "Preparing learners for the world that awaits."

This special day will feature a non-uniform theme. We encourage students to dress in a colour / colours from our Trust logo.

Throughout the day, there will be a variety of activities designed to promote reflection on our vision and the values that underpin it. We aim to inspire our young learners to think critically about their role in the world and the skills they will need to navigate a rapidly changing society. There will be workshops, creative projects, and opportunities for collaboration that will help cultivate a spirit of unity and purpose among our pupils.

We are looking forward to a memorable day that encapsulates our commitment to nurturing the potential within every child. Should you have any questions or require further information, please do not hesitate to get in touch.

Thank you for your continued support.

Yours sincerely,

Dr. Faris
