

North Crescent Primary School

Guiding Explorers of the Future

We are delighted to congratulate our Year 1 pupils on their excellent progress in the phonics assessment and our Year 4 pupils on their impressive efforts in the multiplication checks. Their determination, focus, and growing confidence have been evident throughout, and we are immensely proud of their achievements. A special thank you is also extended to all adults who attended and supported North Crescent's Sports Day, helping to make it a memorable and positive experience for everyone involved. Your encouragement and presence were greatly appreciated and contributed significantly to the celebratory atmosphere.

Ellie's Dragon
by Bob Graham.

Ellie's Dragon is a heart-warming story by Bob Graham about a girl who makes an unexpected friend in a dragon. With themes of imagination, friendship and kindness, it is a beautifully told and illustrated book that children will love.

Each week we celebrate the class that have shown respect for their classroom. The children really love our gold, diamante dustpan and brush award! Why don't you ask them about it?

A big thank you to our PTFA for organising such a wonderful Father's Day / Special Person Sale. Your hard work, time, and dedication gave the children a lovely opportunity to choose meaningful gifts for the special people in their lives.

We truly appreciate all the planning and effort that went into making the event such a success. Thank you for helping create special memories for our families and school community.

Thank you to Chelsea, Laura and Jade from Tanz N Hair !!!

Some of our children and their adult enjoyed a workshop on Thursday run by Tanz N Hair. The adults had the opportunity to practise several new hairstyling techniques, including a fishtail plait, plaited bun (donut), and both French and Dutch plaits.

It is wonderful to have opportunities like this within our community, bringing people together while promoting learning, creativity, confidence, and personal development. Workshops such as these help participants develop new skills, share experiences, and strengthen community connections in a fun and supportive environment.

A group of Year 4 pupils recently organised a lemonade stall and successfully raised £65.50. The children worked hard to set up and run the stall, with valuable help from a Year 2 pupil who joined in and supported the event.

The money raised will be used towards Year 4 celebrations later in the year, such as a party or movie night. The pupils have also decided to use some of the funds to buy something special for Year 2 as a thank you and to share the success of their fundraising effort.
