

North Crescent Primary School

Guiding Explorers of the Future

We were delighted to welcome back our Year 5 and Year 6 pupils following their residential trip. The experience provided an excellent opportunity to develop teamwork, independence and confidence, and the pupils represented the school exceptionally well throughout. We would also like to congratulate all of our nursery children on a truly fantastic Sports Day. They participated with enthusiasm and determination, demonstrating their curiosity, resilience and a positive approach to trying new things.

The Accidental Prime Minister by
Tom McLaughlin.

When Joe tells a local news reporter exactly what he would do if he were leader of the country, the video goes viral and Joe's speech becomes famous all over the world!

Before long, people are calling for the current leader to resign and give someone else a go . . . and that's how an ordinary boy like Joe ended up with the most extraordinary job.

Now the fun can really start . . .

Hats for cats! Pet pigs for all!

Banana shaped buses! Swimming pools on trains!

A hilarious story of one boy's meteoric rise to power!

Book of the Week

Each week we celebrate the class that have shown respect for their classroom. The children really love our gold, diamante dustpan and brush award! Why don't you ask them about it?

KS2 have been engaging with a range of transition activities recently, getting them ready to start the next stage in their education! Navigators 6 enjoyed spending two days at their secondary schools last week, engaging with Year 7 lessons and starting to learn their way around! Meanwhile, Navigators 5 have shown their resilience and motivation when joining in transition afternoons with two local partner schools as part of a 6 week project, as well as a Bromfords visit today!
