

North Crescent Primary School

Guiding Explorers of the Future

North Crescent Is Number 1!

We are delighted to share that our school has been featured in the Echo newspaper this evening after being recognised by the Schools Guide as the number one school in Wickford. This wonderful recognition reflects the hard work, dedication and commitment of our entire school community. We are incredibly proud of this achievement and grateful to all our staff, children and families for playing a part in making our school such a special place to learn and grow.

This joyful rhyming book by Heather Avis encourages children to value the 'difference' in all people. Macy is a girl who's a lot like other girls but she's also quite different, which is a great thing to be. With kindness, grace, and bravery Macy finds her place in the world. Children are naturally aware of the differences they encounter in everyday life and they just need to be given tools to understand and appreciate what makes us 'different'

Book of the Week

Different - A great things to be !

Huge congratulations to the following children who have been chosen as the Lead Learners.

Explorers	Dolly	Pathfinders 2	Amara
Pathfinders 1	Ronnie	Adventurers 4	Reggie
Adventurers 3	Rosheedah	Navigators 6	Megan
Navigators 5	Chantelle		

Each week we celebrate the class that have shown respect for their classroom. The children really love our gold, diamante dustpan and brush award! Why don't you ask them about it?

Many families are unaware of the wide range of support that schools can offer beyond education. If your family is facing challenges, we may be able to help by bringing together the right people to provide support.

This is called a TAF (Team Around the Family) meeting where all professionals come together with you to understand your family's strengths, identify any concerns, and develop a plan to meet your family's needs.

If you need support for your Family please reach out to us. We are here to support you!!!
