

North Crescent Primary School

Guiding Explorers of the Future

Thank you to all the adults who attended the Explorers parent consultations. These meetings provided an opportunity to discuss children's experiences, progress and next steps, and to strengthen communication between home and school.

We would also like to make Reception adults aware that, if they gave permission for their children to have external photographs taken, their child will appear in the *Echo* this week for attending North Crescent Primary School.

A believer's guide to dragons by
Jenni Desmond

Dragons live deep underground, hot and rich with sparkling treasures. And though some readers may have never spotted one, look around - there are plenty of clues to be found...for true believers know that dragons really do exist. From digging dens to sliding down volcanoes, or soaring past the moon and sifting through rivers for precious gold, there are signs of dragons everywhere.

Huge congratulations to the following children who have been chosen as the Lead Learners.

Pathfinders 1 Onyebuchi
Adventurers 3 Teddy
Navigators 5 Freya

Pathfinders 2 Jerry
Adventurers 4 Sophia
Navigators 6 Whole class

Each week we celebrate the class that have shown respect for their classroom. The children really love our gold, diamante dustpan and brush award! Why don't you ask them about it?

A big thank you to all our parents who came in for our school drop-ins to meet with their children's class teachers. It was lovely to see so many of you taking the time to come in and discuss your children's learning and progress.

We really appreciate your support and continued partnership in helping your children learn, grow and thrive!

Drama Workshop

On Monday this week, children in Years 3, 4 and 5 had the chance to take part in an exciting workshop with the Perform theatre company. Perform use a unique mix of drama, dance and singing to bring out every child's potential. The children took part in a range of activities with great enthusiasm, using drama, dance and singing to create a fun and energetic session. They were encouraged to use their imagination and creativity, while also developing their confidence and teamwork skills. The children particularly enjoyed working in small groups, where they had the opportunity to develop ideas together before performing to their classmates. It was fantastic to see so many children getting involved, supporting one another and having the confidence to perform in front of others. A big thank you to Perform for providing such an enjoyable and memorable experience!
